Large Print Free Library

UDS Low Vision Services is starting a free library of large print books in our clinic. We have more than 50 books but would love to add more to our collection. As you start to do some spring cleaning or venture out for garage sales, keep an eye out for any large print books you might be able to donate to our growing collection. Monetary donations are also being accepted for the purchase of more materials.

For more information contact Heidi Seymoure at 330-762-9755 ext. 229.

Electric Bus Launch

On Tuesday, March 29, members of BraVo! spent their day out in the community touring the all-new METRO RTA electric buses. The trip included a ride around the block in the new bus followed by engaging booths with other local businesses like the Akron Zoo, the Akron-Summit County Public Library, and more! It was an "electric" experience for all involved, including staff!

Event :

- 6 National Walking Day
- 22 Earth Day
- 27 Administrative Professionals Day

Three ways to celebrate Earth Day:

1. **Go outside.** Spend a few minutes enjoying the sights and sounds of our beautiful world.
2. **Plant something.** Pay homage to Earth by adding some leafy herbs, flowers or a tree to it, and help tip the balance back toward sustainability.
3. **Donate reading materials.** Gathering paper goods and giving them new homes is a great way to honor our planet this month.

Life is like a box of cupcakes... that's how the saying goes right? Nevertheless, pictured above are our individuals picking out some treats from Sunshine Cupcakes in Ravenna, Ohio. It truly is an experience for all involved!
