November 19, 2020

Dear All-Star Training Club Bowlers,

Due to the recent surge in COVID cases, a stay at home advisory is now in effect for Summit County. In keeping with this advisory, UDS has made the decision to suspend bowling through the holiday season. We hope to return in January. We take the health and safety of our athletes very seriously and feel this is the best course of action at this time.

In the meantime, we ask that you continue to follow the CDC, local health department and State of Ohio orders to reduce your exposure to the virus in your home and community life. By adhering to these guidelines as a community, we will hopefully be able to slow the spread and be together again soon.

Please do not hesitate to call Leah, Dan or myself with questions.

Sincerely,

Laurie Freedman  
United Disability Services  
Director of Respite and Community Services
