

Here's what our customers are saying about us:

"We all enjoyed our boxed lunches today. It could not have been more perfect. You guys are the BEST. Everything was wonderful! Always a pleasure doing business with you and your team!"

"WONDERFUL...everyone was so pleased with your lunches. I am so impressed with the quality of the food and the presentation."

"The lunches were perfect and everyone enjoyed them. I was very impressed by Taste Buds and we'll continue to choose you! Thank you for the wonderful customer service!"

United Disability Services' rich history of providing opportunities for people with disabilities began in 1949. Since that time, the agency has grown and today provides a diverse range of services to people with disabilities and their caregivers.

Taste Buds, catering by UDS, provides food service job opportunities and job training for individuals with disabilities. Taste Buds provides affordable, high-quality, healthy, homemade meals, snacks and excellent customer service in an environment that educates and inspires.

We invite you to share in our commitment to support people with disabilities by selecting Taste Buds to meet your catering needs. Meals are individually packaged, professionally presented and ready to serve.
